at the Same Time!!!**

Dear Friend,

"Cooking for a Cause" is about food, about fun, and most important, about funding for an amazing organization: Girls Unlimited.

Girls Unlimited provides middle school girls the essential tools they need to build empathy and self-esteem, to understand the value of respect for self and others, to end bullying and cyber-bullying, and to resolve conflicts peacefully. The program was introduced to middle schools throughout our region over seven years ago, and its valuable lessons are more timely today than ever before. Social media has led to a public health crisis in our youth, particularly our girls.

"Cooking for a Cause" features some very talented and exceptional local chefs who will demonstrate and dish out their specialties on April 8 from 6-8:30 pm at Mrs. G's Appliance Showroom.

The event also features a tasteful (no pun intended!) advertising journal that will include recipes and cooking tips. We hope you will consider being a sponsor of this event. Sponsorship entitles you to various options for attendance and advertising. The accompanying pages describe sponsorship levels and individual advertising.

We anticipate over 250 attendees at this event. All proceeds of the evening will benefit **Girls Unlimited** and will allow us to empower many more girls to become their best selves.

Thank you for your consideration and your support!
